From the estimate through to the completion of the project, they were professional and completed the job on schedule even though they had to work around weather issues. The staff arrived on time, went to work immediately and were pleasant and seemed to enjoy their work. They did several roofs for us, cleaned up all the waste and completed the job within the time schedule. We are very pleased with the outcome. Add Your Comments to This Review

At 82 and 83 yrs old we are not as savvy on the computer as the younger people . Shannon you have always gotten back to us with questions or needed information. You both talked to us like a friend or family instead of just a customer. We can not say enough about your employees who did all this work. They are the hardest working crew we have ever seen. They did a wonderful job /both in the removal and application of the new roof plus a fantastic job in clean up of our property. We would highly recommend your company- Guard of Honor -to anyone who is in need of any kind of roof improvement. You are an asset to the community . 04/02/2023	5.0 Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0	Review by Richard F. in SOUTHPORT, NC Project: Install or Replace an Asphalt Shingle Roof Comments: Guard of Honor Roofing is awesome - I cannot say enough good things about this company. The cost was extremely reasonable and the quality of work was outstanding. The entire staff was extremely courteous and highly professional. Their customer service department went out of their way to explain cost/materials, provide a detailed description of the work, and were always immediately available to answer questions, provide information, and keep me updated. The crew took great care in covering with tarps all outside areas exposed to falling debris and did an immaculate clean up after the job was completed. The crew worked almost non-stop to do a complete tear-off of all the old shingles and install a new asphalt architectural shingled roof in just one day. Guard of Honor Roofing is an extraordinary company. They do exceptional work at a reasonable price and strive hard to provide exceptional customer service. I highly recommend to anyone needing roof repair or replacement to contact Guard of Honor Roofing. Add Your Comments to This Review

I had quotes from three other roofers, then the day I was gonna pull the trigger I was taking a walk and saw a Guard of Honor company pickup truck in front of a house. Decided to look them up. Good reviews, heck I'll give them a shot. The quote they gave beat everyone else and the materials and warranty were as good or better.

They are very nice people, it was a pleasure working with them, their crew was fast and polite.

They did a good job, roof looks great, 5 stars all around.

I hired Guard of Honor Roofing for a full roof replacement on my home. From the very beginning, this company was very easy to deal with. Price was very competitive. Communication was top-notch: if I called or emailed Shannon with a question, I had a complete reply immediately or within a few hours at most. I was informed about how to prepare my property and what to expect. Their crew showed up on time, hit the ground running, and were well supervised. The job was completed in one day, and cleanup was very thorough. Highly recommend!

From my first phone call (which was answered immediately) to receiving my final documents and warranty info, working with this company was a pleasure. Knowing of the many unscrupulous roofing companies out there, I had trepidations about even starting the process. I had a great vibe from Shannon, to John to the entire crew who did the work. It was such a joy to be treated with respect of both my person and my time. The crowning touch was the clean up. There were bits of trash that had blown into my yard from a wind storm and the crew cleaned up those bits along with all the construction debris. I had a very good idea of what a roofing job should cost and they came in under that amount. When honesty, respect and quality are included in your business plan, you cannot go wrong. Thank you all.

This was a first class operation from start to finish! We were pleased with the finished product, the quality and fair pricing. Other vendors weren't as up front with price as Guard of Honor. The clean up was spotless! Everything was the best! If you're looking to replace your roof, give them a call!
