NEW

Guard of Honor roofing did a fantastic job reroofing our townhome in Windy Hill. Shannon coordinated our project plan and payment with multiple owners. The crew she sent did a great job from tear off to replacing wood and shingles.

Everything was clean and we did have some debris in the attic. They sent out Donnie who did a nice job cleaning. The communication was great, the service and quality are excellent, and we just had a big tropical storm and everything is still dry and sealed up.

Guard of Honor has a nice warranty. I'm confident in their work and would definitely recommend their services.

They came, they saw and they conquered. In a sea of roofing companies- sales pitches, sales extras, sales bureaucracy- this company outshined, out priced, out performed and delivered on their promises. Vetted a dozen and glad i landed on GHR! Ty. Well done

Contracted with Guard of Honor to replace 35 year old skylights and surrounding rotten wood at my home in Windjammer/LR. Not a very large roofing job, but communication and workmanship was excellent. John and his Team were timely, efficient, and professional from the initial review to completion earlier today (05/30). And the pricing for the project was more than reasonable and difficult to match. Highly recommend John / Shannon and their Team if you ever need any roof work completed at your home.

Needed a new roof. Contacted the owner John. Provided a very competitive estimate. John's wife Shannon worked with us on all the details of the project. The installation was done in a day by an experienced efficient crew. The clean up was thorough and meticulous. No surprises in the final cost. Very unusual to have a large project go so smoothly and stress less. No regrets!

Prompt and professional roofers. John Hall was honest in his assessment in the inspection and his price was fair. The crew were friendly and worked great as a team. Careful around our property not to damage anything during the stripping or installing. Replaced some plywood that was damaged through years of rain and storms. We were glad we used Guard Of Honor.

I had quotes from three other roofers, then the day I was gonna pull the trigger I was taking a walk and saw a Guard of Honor company pickup truck in front of a house. Decided to look them up. Good reviews, heck I'll give them a shot. The quote they gave beat everyone else and the materials and warranty were as good or better.

They are very nice people, it was a pleasure working with them, their crew was fast and polite. They did a good job, roof looks great, 5 stars all around.

I hired Guard of Honor Roofing for a full roof replacement on my home. From the very beginning, this company was very easy to deal with. Price was very competitive. Communication was top-notch: if I called or emailed Shannon with a question, I had a complete reply immediately or within a few hours at most. I was informed about how to prepare my property and what to expect. Their crew showed up on time, hit the ground running, and were well supervised. The job was completed in one day, and cleanup was very thorough. Highly recommend!

Had the opportunity to use the services of Guard of Honor Roofing. Would highly recommend them. Their crew worked together like a well oiled machine. They were in at 7:00 and out by 3:30 including cleanup. Not a nail to be found!
