Guard of Honor Roofing gave me a quote that was probably a bit low for the detailed work required on our particular roof. As the work progressed, I offered to sweeten the pot a bit on my end but John refused and insisted on honoring his quote and did not skimp on any of the work contracted for. Indeed, they went beyond the call of duty to assist with a couple of additional items. Daily cleanup was always great and John made sure to contact me regarding daily work schedules. John is a very honorable man, his crew members are talented, nice people. I would use Guard of Honor Roofing again in a heartbeat and I recommend them without hesitation to anyone who is looking for a reliable, honest, highly capable roofing company. My wife and I are very pleased that we hired Guard of Honor Roofing to perform the roof replacement on our home in Little River. We are extremely satisfied with how well they managed our roof replacement. Our new roof really does look amazing and it added immediate value and curb appeal. Their entire staff was professional and a delight to work with from the initial quoting process, answering our innumerable questions, the roof installation and cleanup and finally the billing and invoicing process. Their crew was at the job site from sunup until after sundown working diligently and professionally. The crew did a fantastic job cleaning up any materials left from the roof tear-off and new roof system installation. This included verifying there were no sharp objects such as nails left on the driveway or lawn. They were extremely prompt in responding to any and all questions that we had. They also provided samples of various roofing shingles to help in the decision process. Finally, as stated above, my wife and I highly recommend Guard of Honor Roofing for your roofing needs. Please feel free to reach out to me if you have any additional questions.

Positive: Professionalism

A great company to do roofing. Really nice honest people to deal with. They are a company that answers phone calls or returns phone calls in a timely manner. They do what they say they will do and are on the job when they say they will be there. They cleanup all debris from around the house so nothing is left on the property. As far as we are concerned we are very happy we selected guard of honor roofing to replace the roof on our house and will recommend them to anyone needing a new roof.

Guard of Honor Roofing has earned my highest rating. Professional, helpful, excellent team (installed roof in one day), unobtrusive, knowledgeable, with a beautiful roof installed and a fabulous warranty with GAF for roofing, I can't say enough - Highly Recommend.

I have owned houses in the past and know what a hassle it can be dealing with contractors, with this in mind and the fact that I am an elderly and believe in high standards, I approached getting a new roof with misgivings. I am thrilled with the results Guard of Honor Roofing contractors have given me. I hope this helps someone else in their decision making.

Just had a new roof installed and was impressed with John, Shannon and the crew. We have a fairly large home, but they were able to do it in less than 2 days. This included some extra work like replacing siding and installing gutter guards. Excellent job cleaning up, except for the new roof you would not know they were here. Would highly recommend GOH to anyone.

My Roof Installation was completed in two (2) days on a large square foot roof.

Guard of Honor did an excellent job not only completing the Installation,, but also cleaning up all around my home and making sure that every nail was picked up and properly disposed.

John Hall and Shannon were fantastic. John even helped during the process of the purchase of my home doing a repair demanded by my bank before closing. Also, for everyone to know, they were the most economical in the area.

I highly recommend their services and I wouldn't blink an eye to hire them again for future services.

Thanks Again John and Shannon for the professional work and service you had provided.

I do not usually give a review unless I am really happy with the service. This roofing company did a great job and we are very pleased with the finished product. You will not be sorry if you use this company.

Guard of Honor Roofing was A+ in all aspects of service, materials and workmanship from office to rooftop we were very pleased. They were very thorough in responding to our calls and questions, the crew was on time and they worked quickly, the clean up was astounding and the job was done in one workday. All this at a price that couldn't be beat. We would highly recommend them for any roofing need.

Roof Installation or Replacement

We would highly recommend Guard of Honor Roofing with no hesitation. The owner gave us excellent customer service with a very personal touch. He kept in touch at every stage of our roof and gutter replacement, making sure we had updated pictures of the work in progress. The people completing the work took special care to cover and protect our landscape and clean up was excellent. The roofing and gutters are beautiful and the quality of materials was above what we expected!!! We would highly recommend anyone having Guard of Honor Roofing for any roofing needs. Also shout out to Shannon in their office, she was very professional and responsive and 28th such a huge investment, she helped us feel informed and at ease, thank you Shannon and John and all your work crews, jobs WELL done!!!!!!
